

## **Planner II – Long Range**

The City of Whitefish, Montana is seeking a full-time Planner II – Long Range, with proven comprehensive planning skills to join our Planning & Building Department team. Under the direction of the Planning Director, this position will manage a full range of complex professional planning duties related to long range land use planning, including Growth Policy updates and transportation corridor land use plans. The position requires a Bachelor’s degree in regional and/or city planning or a related field and two (2) years of progressive experience in long range planning. Any equivalent combination of education and experience will be considered.

One of the fastest growing cities in Montana, Whitefish is consistently rated one of the best small towns in America and was named one of the top 25 ski towns in the world by National Geographic. It is located on the shores of Whitefish Lake and the base of Big Mountain – home to Whitefish Mountain Resort. Whitefish also boasts over 36 miles of natural surface single-track mountain biking and hiking trails with 10 trailheads, golfing, world class dining, two professional live theater companies, and is only thirty minutes from Glacier National Park.

The salary range is \$52,562 - \$68,016 annually depending on qualifications plus an attractive benefits package. Likely starting salary is \$52,562.

Note: This position has been approved for funding by Whitefish City Council for FY18 through FY20, expiring on June 30, 2020. However, additional funding sources will be explored, and, if established, this position should be extended beyond the tentative employment term.
